

Thinking about Changing Your Major?

If you are considering another major at

A&M Galveston . . .

Things to think about:

- >> Why do you want to change your major?
- >> Is this major your best option?
- >> Is it possible to change to this major?

Where to start:

Identify New Major

Research all your options & find the major that is best for achieving your goals

Consider:

- >> GPA Requirements
- >> Career Options/Outlooks

Talk with an Advisor

Talk with an academic advisor in your intended major.

An advisor within your new department will be your best resource for classes and other procedures.

Complete the Required Form

The Change of Curriculum form is at registrar.tamug.edu on the Forms & Reports page or at the SLC Office.

Once filled out with a signature from your new department head, submit it to Records (MAIN 1st Floor).

Thinking about Changing Your Major?

If you are considering another major at
A&M College Station . . .

Things to think about:

- >> Why do you want to change your major?
- >> Is this major your best option?
- >> Is it possible to change to this major?

Where to start:

Identify New Major

Research all your options & find the major that is best for achieving your goals

Consider:

- >> GPA and pre-requisite requirements
- >> Application deadlines
- >> Additional requirements such as change of major meeting, special application, courses required, etc.

Visit tap.tamu.edu/main/changeofmajor.pdf for details on specific major requirements.

Talk with an Advisor

Talk with an academic advisor in your intended major.

An advisor within your new department will be your best resource for classes and other procedures. Be sure to tell them you are changing majors - not transferring!

Complete the Required Form(s)

The Change of Curriculum form is at registrar.tamu.edu on the Forms & Reports page or at the SLC Office. **Many departments will require an additional application as well.**

Most College Station departments will accept your forms by email; contact them directly for information.
