

Sea Aggie Former Student Network Scholarship

Established in 2019 by the Sea Aggie Former Student Network

The mission of the Sea Aggie Former Student Network is to strengthen the unity of our Texas A&M University at Galveston graduates and students by promoting the involvement in industry professional events, networking, and career enhancement opportunities. By starting our endowment scholarship, we as a network are able to hold up our mission to our members and to the current students. Our hope is this scholarship will help a current student focus on school and become an outstanding member in a maritime industry and a spirited representative of the university.

We are looking for a student who will help us meet our goals as an organization while they are still in school, as well as supporting us in the future. Someone who will promote the interests and welfare of Texas A&M University at Galveston. Someone who will perpetuate ties of affection and esteem formed in their time at TAMUG. Someone who will assist in the integration of a current student into their field of choice through mentorship. Someone who will promote the interaction of the student body in maritime & marine industry activities.
