## **TUTORIAL**

#### How to Access your Professor's Zoom recordings as student

If your professor shared your online lecture recordings in eCampus or Canvas, and you cannot access it by clicking the recording link please try the following:

### **OPTION A. If you have the recording link**

1. Open Chrome, Safari, or Mozilla, and go to <u>https://tamu.zoom.us/</u> and sign in.

 After logging into our TAMU Zoom website, open a new tab using the same web browser, paste the recording link if you have it, or go to eCampus -<u>https://ecampus.tamu.edu/</u> or Canvas - <u>https://canvas.tamu.edu/</u> select your course and try to open the recording again, using the recording link.
