

Sea Camp

July 27 – August 2, 2025

Wildlife Photography

For ages 13-18 **\$1050**

Wildlife Photography is an exciting photography course at Texas A&M University Galveston Sea Camp! Using your own **digital camera**, you'll photograph different types of wildlife all over Galveston County. Frame scenes using the "rule of thirds" and "keep it simple".

Feature photo excursions to locations including **Bayou Wildlife Zoo, Crocodile Encounter, South Jetty, Peacock Refuge and Pier 19 Shrimp Fleet.**

Photograph adoptable **kittens, cats, puppies and dogs** at the Galveston Island Humane Society.

Design, print, write, address, stamp and mail a greeting card to your parents.

View your digital camera images on a large television screen in the Texas A&M computer lab.

Produce your own photographic mini portfolio.

Submit your best digital image files for possible publication to *Coast Monthly Magazine, Galveston Monthly Magazine.*

Finish the week with an **art exhibit and sale** of your best images at the Auditorium at CLB 100 on Friday 5:30-8pm. Campers, please bring at least four \$5 bills, so you can provide change during the sale of your artwork.

Family and relatives are encouraged and invited to attend. A brief Mardi Gras bead toss and award ceremony will take place from about 8:15pm-8:30pm.
